DIGITUS Multifunctional Mini Desktop PC holder

DA-90360
EAN 4016032423805

Multifunction Mini Desk PC Holder for table clamp or between VESA mount, VESA 75x75, 100x100

With this thin client PC adapter you can mount your PC behind your monitor using the VESA holes and additionally still use any VESA monitor mount thanks to the hole pattern in the adapter. Other mounting options include clamping it to your monitor mount, or installing it on the underside of your desktop. With the included pads and the strap you are able to perfectly adjust the adapter for your needs.

Elegantly hide your mini Desktop PC behind your monitor and still beeing able to use a monitor mount
