DIGITUS Wall Mounting Cabinet for DVR

DN-DVR-1
EAN 4016032460671

DVR wall mounting cabinet 550x580x160 mm, grey (RAL 7035)

The DIGITUS® wall mounting cabinet protects your video surveillance system from unauthorized access. Can be used for all applications in areas such as network, safety, DVR, sound, radio or cabling. The mounting bracket makes mounting your device easy, whether it is 482.6 mm (19") compatible or not. Rubber dampers on the adjustable mounting keep the device in the exact position and protect it from damage when the door is opened or closed. The 12" bracket on the inside back also allow mounting of a monitor. To power your components there is a 482.6 mm (19") 2U bracket for attachment of a socket strip on the inside at the top. Multiple cable entries on each side made organized cable management possible.

Perfect for housing a video surveillance system and protecting it against unauthorized access.
