DIGITUS Flexible Cable Tube with Hook and Loop Fastener

DA-90507
EAN 4016032463320

Cable Sock, color black, 2m

The flexible plastic tube lets you organize your cables easily and neatly. It can be individually cut to the length needed and automatically contracts again once it is closed. The hook and loop fastener means that it can be opened and closed whenever needed to add or remove cables. Installation is very simple. Cut the tube to the desired length, insert the cables and close the hook and loop fastener. No more cable clutter or tangles with the neat solution from DIGITUS®.

Can be cut to measure, contracts with hook and loop fastener
