

DIGITUS Universal Dual Monitor Pole Mount

DA-90398
 EAN 4016032465157

Dual Monitor Pole Mount 15-32", 2x 8 kg (max.), black

The universal dual monitor pole mount from DIGITUS® can hold monitors from 15" to 32". The quick release function also makes it easier for you to install the monitors. The VESA bracket is simply inserted into the corresponding mount and fastened with a screw. Without a great deal of effort, you can arrange the monitors according to your needs and pivot, incline or rotate the monitors, for instance for monitors in portrait mode. The monitors can be optimally adjusted for your body and your sitting position. The monitor cables can be stored in an orderly fashion using the cable routing included in delivery. This dual monitor mount is ideal for POS applications in checkout and counter areas where customers interact with the seller.
