DIGITUS Electric Height-Adjustable Desk with USB-Charger and Drawer

DA-90406
EAN 4016032474593

Electric height-adjustable Desk, 120x60x12cm top 50kg load, USB-charging ports, white

Do a good deed for yourself and your health with this height-adjustable table frame from DIGITUS®! The height of the table can be adjusted using the integrated control panel from 72 to 121 cm, while the collision protection feature protects against impact with obstacles below the tabletop. The control panel can be blocked, for instance to prevent children from accidentally playing with it. In addition, mobile devices such as smartphones or tablets can be charged using the 3 available USB jacks, with two USB A jacks and one USB-C™ port provided. The drawer located below the tabletop provides a convenient storage space, allowing you to tidy up your desktop in no time. Improve your health and prevent postural damage or restrictions of the musculoskeletal system through regular standing!

The ergonomic solution for your home office – improves productivity and health in your daily workflow
