Cable Management Box Set, black Size: S, M, L

Put an end to tangled cables and dust! The cable management box makes sure things everywhere are neat Everybody is familiar with the mess of cables and sockets hidden under many desks and TV consoles. Store your plugs and power adapters neatly and tidily in the DIGITUS® cable box, and protect your cables from dirt and dust. It is also more difficult for your child or animal to tamper with the plugs, leading to additional safety in your home. The stylish and timelessly elegant design means that it doesn't look out of place on a desk or TV console. When vacuuming or mopping you don't need to laboriously pick up individual cables or power strips to clean each one, instead you simply pick up the box and are done with your work in no time. The cables inside stay clean and free of dust. Anti-slip pads under the box also ensure secure positioning. Say goodbye to fighting with cables and bring order to chaos with the cable management box from DIGITUS®.
