ednet Color Splash Speaker

83041
EAN 4054007830418

**ednet Color Splash Speaker black**

Enjoy stunning color and water displays with the ednet® Color Splash - ⬜ in rhythm with your favorite music. Connect it to your smartphone, tablet, notebook, PC or stereo, or any device with a 3.5 mm audio output. Power is supplied via the USB A plug. Alternatively you can power the Color Splash via a USB charging adapter or power bank if you no socket is available. It isn't just for parties. The Color Splash by ednet® also creates a fascinating spectacle of water and color in your living room. The light display is most effective on ceilings and walls in the dark.
